REPORT OF REFORMED UNIVERSITY FELLOWSHIP TO THE FORTY-EIGHTH GENERAL ASSEMBLY OF THE PRESBYTERIAN CHURCH IN AMERICA

6

Introduction

7 Ministry to colleges represents an essential part of the mission of the Presbyterian Church in
8 America. The college years have increasingly become a time for questioning authority,
9 scrutinizing absolutes, throwing out old premises, and reinventing the self. Students must
10 learn to navigate the milieu of converging thought, and Reformed University Fellowship is
11 thankful to be part of this unfolding campus narrative to reach students for Christ and equip
12 them to serve. The passion and vigor of college students have proved, over the last 200 years,
13 to affect the Church globally, significantly engaging the world with mission and purpose. The
14 story of redemption playing out is more significant than any story that we can imagine.

15
16 Reformed University Fellowship goes to the campus with a fixed theology (The Westminster
17 Standards) and a flexible methodology that allows us to contextualize to suit various campus
18 personalities and demographics. We are not limited in how and where we preach the Gospel,
19 and we know that a large percentage of people come to faith in Jesus between the age of 18
20 and 25.

21
22 To engage the current academic culture, Reformed University Fellowship sends ordained PCA
23 ministers to serve on the college campus, preach the Gospel of Christ, build Christ's Church,
24 and ultimately prepare students to live all of life under the Lordship of Christ. This is a
25 concrete expression of our commitment to our covenant children and our obedience to the
26 Great Commission to reach students for Christ and equip them to serve.

27
28 The Permanent Committee for Reformed University Fellowship wishes to thank all of our
29 churches, presbyteries, and the General Assembly for their oversight, financial support,
30 prayers, and encouragement for our campus ministers, staff, and interns, who have served on
31 170 campuses across America.

32

Reformed University Fellowship

33 Reformed University Fellowship (RUF) offers the truth of God's Word to covenant children,
34 students who are searching, as well as equipping believers. By working within the context of
35 the Church, we follow Christ's leadership as He builds His Kingdom. Students are instructed
36 in Evangelism and Missions, Growth in Grace, Fellowship and Service, and a Biblical World-
37 and-Life View. An ordained PCA minister leads each RUF, actively working to accomplish
38 goals in these four major areas. RUF strengthens the Church by reaching students who may
39 not know Christ, as well as equipping those who know Him to serve, and to love Jesus for a
40 lifetime. (See Attachment 1 for a list of RUF, RUF-I, and Global campus ministers, campuses
41 served, and Presbytery committees.)
42

1 **Reformed University Fellowship – International**

2 We began the semester with RUF-I Training in Dallas, Texas. RUF-I staff join with all other
3 RUF staff at July Training, with a separate training in the winter, which is RUF-I specific. We
4 had approximately 32 RUF-I staff together for three days of fellowship and training. New
5 Assistant Coordinator for RUF- I and RUF-G, Chad Brewer, along with Associate Coordinator
6 of RUF, John Pearson, and former RUF-I Area Coordinator, Al LaCour, all spoke on "How
7 the RUF-National Philosophy of Ministry Translates into the RUF-I Philosophy of Ministry."
8 There was also a celebration to honor Rick Brawner's faithful service to Clemson RUF-
9 International for the past 31 years; he will be retiring this year. Currently, we have 16 RUF-I
10 ministries, and we ask that you pray for Chris Morrison, RUF-I Campus Minister with SMU,
11 as he transitions to an Area Coordinator for RUF-I starting June 1, 2020. With this transition,
12 there will be a campus minister vacancy, and we are actively pursuing candidates to fill this
13 position. We were able to assess one RUF-I candidate during Winter Assessment.
14

15 **Reformed University Fellowship - Global**

16 Two of our eight RUF-Global Campus Ministers (affiliations with MTW and SERGE) were
17 able to attend RUF Staff Training in December. Currently, we have staff in Malaysia, Ukraine,
18 Czech Republic, Senegal, Mexico City, Tokyo, Granada, and Colombia. During December
19 Training, Jim Jung, regional director in Australasia with MTW, hosted an interest lunch for
20 those interested in campus ministry in Sydney. Conversations are currently happening with
21 teams across the globe, who have expressed interest in affiliating with RUF in hopes of more
22 effectively reaching college students.
23

24 **Ministry Distinctives**

25 Weekly large group, small groups, and one-on-one staff-student meetings provide the
26 structure for campus ministry. Each type of meeting is essential in ministering to college
27 students. In large group meetings, students gather to sing, pray, and hear the good news of
28 Jesus taught from the scriptures. Small groups focus on study, prayer, and fellowship, and
29 many are led by junior and senior students, under the direction of the campus minister, campus
30 staff, and interns. One-on-one meetings between students and staff members offer in-depth
31 discipleship, evangelistic encounters, and accountability in trust-confidence relationships, as
32 well as counseling. RUF emphasizes the development of a biblical world-and-life view. As
33 students learn to think biblically, they will make a lasting difference in the Church and the
34 world. A key distinctive of RUF is its connection to the Church. Through exhortation by
35 their campus minister, attendance with friends at local churches, involvement in the campus
36 community, and exposition of Biblical truth, college students learn to love the Church and
37 develop a lifelong commitment to involvement with God's people. RUF provides a bridge
38 maintaining (or establishing) connection to the Church as students make the transitions from
39 home to college to work and family life. RUF does not exist to perpetuate a campus ministry
40 but to grow the Church.
41

42 **Campus Interns and Staff**

43 Launched in 1980, the Intern Program has trained over 800 interns. In the last 29 years, the
44 program has grown at a rate of 13% per year. This year we have 172 full-time and six part-
45 time young men and women (all recent college graduates) that currently work directly with a

1 campus minister and receive on-the-job training in evangelism, small group leadership, and
2 one-on-one ministry. While interns minister to college students, they also participate in a
3 study program focusing on biblical and theological training. After their internship with
4 Reformed University Fellowship, interns move into both vocational ministry and the broader
5 marketplace with a deepened understanding of God's Word and experience in His service.
6 The campus intern, as well as campus staff, are equipped to be "an instrument for noble
7 purposes, made holy, useful to the Master and prepared to do any good work" (II Timothy
8 2:21). (See Attachment 1.)
9

10 The Campus Staff program within RUF exists to provide a long-term vocational ministry
11 position for women who desire to work on the college campus. While most of our Campus
12 Staff come directly from serving two years as an RUF intern, we have begun expanding
13 outside of that channel to bring in qualified candidates to meet the growing demand on
14 campus. (See Attachment 1.)
15

16 In 2019, the Campus Staff department hired eight new full-time staff and two part-time staff
17 to bring the overall number of staff to 37; this is a 32% increase from 2018.
18

19 **Summer Conference**

20 Summer Conference May 2019 – In May, Reformed University Fellowship hosted its 39th
21 RUF Summer Conference at Laguna Beach Christian Retreat Center in Panama City Beach,
22 Florida. In our three weeks of conferences this year, we hosted 2,313 students and 533 staff
23 and their families from across the country, gathering for a clear exposition of God's Word,
24 prayer, seminars, and fellowship. There was an increase of 155 students over the previous
25 year as we have become more efficient in housing staff and students, with many families
26 willing to share housing to allow for more students. Last year Summer Conference large group
27 speakers addressed the topic of Sanctification, one of the principles of RUF Philosophy of
28 Ministry.
29

30 Week One Dates: May 6-11, Speaker Rev Hunter Bailey, Planting Pastor, Christ
31 Community Church, Fayetteville, AR.
32

33 Week Two Dates: May 13-18, Speaker Rev Shawn Slate, Senior Pastor, Redeemer
34 Presbyterian Church, Knoxville, TN.
35

36 Week Three Dates: May 19-24, Rev Russ Whitfield, Pastor, Grace Mosaic,
37 Washington, DC, and Director of Cross-Cultural Ministry, RUF.
38

39 The Summer Conference schedule included seminars in the morning, afternoon fellowship
40 and recreation, and large group in the evening followed by small group discussions and
41 fellowship.

42 Total income, including scholarships granted, was \$989,119. Expenses totaled \$962,394,
43 including the scholarship refund. The excess of revenue over expenditures totaled \$98,725
44 before the scholarship refund was given. RUF decided to return \$72,000 from the Summer

1 Conference account to campus minister and staff accounts to defray 30.2% of the cost of
2 scholarships granted. There remains a \$99,312 balance in the account to prepare for Summer
3 Conference 2020 and to research other, larger locations and regional conferences.

4
5 Summer Conference May 2020 – 2020 student registration opened March 1, and over 2,900
6 students are projected to attend this year. The 2020 cost per student is \$375. Large group
7 speakers will cover the topic of Glorification. The schedule will be similar to previous years,
8 except optional seminars will be added in the afternoon. A typical schedule consists of
9 seminars in the morning, afternoon recreation and new seminar offerings or service project,
10 and evening large group, followed by small groups and fellowship.

11
12 Week One Dates: May 4-9, Speaker Rev Robert Cunningham, Senior Pastor, Tate's Creek
13 Presbyterian Church, Lexington, KY. Week Two Dates: May 11-16, Speaker Rev Michael
14 Aitcheson, Planting Pastor, Christ United Fellowship, Orlando, FL.

15
16 Week Three Dates: May 17-22, Rev Elbert McGowan, Senior Pastor, Redeemer Presbyterian
17 Church, Jackson, MS.

18 19 **Wives Retreat**

20 We are extremely grateful for the role wives play in RUF's ministry to college students, and
21 Wives Weekend plays a vital role in encouraging them in their marriages and ministry.

22 23 **National Wives**

24 Ninety-two RUF Campus Minister wives descended upon the city of Nashville, Tennessee,
25 the weekend of January 17-20. It is the largest attended Wives Weekend to date. Beth McCord
26 and Rev. Scott Sauls were the weekend speakers along with a private concert by Sandra
27 McCracken. Wives also enjoyed time together in prayer groups and area dinners.

28 29 **West Wives**

30 Eleven RUF Campus Minister wives arrived in Rancho Mirage, California, the weekend of
31 February 6-9 for the 4th annual west wives weekend. The warm weather and sunshine were
32 an encouraging time of respite for all in attendance. John Stone was the weekend speaker and
33 encouraged the wives with teachings on ministry and parenting. Wives also enjoyed time
34 together over area meals and relaxing at the hotel. Area Coordinator Pat Roach welcomed the
35 wives to the weekend, and Chad Brewer shared the state of the union of RUF.

36 37 **Staff Training**

38 In 2019, the three full weeks of training for field staff included orientation for new interns,
39 campus staff, and new campus ministers. This in-depth training is distinctive of the ministry
40 and provides philosophical, practical, and reflective instruction to RUF campus ministers,
41 interns, and staff. We will have Andy Crouch teaching on "Power: Weak & Strong" during
42 July Staff Training 2020.

1 **RUF Assessment**

2 In December of 2006, RUF held its first Campus Minister Assessment. Since that time,
 3 Assessment has been held twice a year for Campus Minister and Campus Staff positions, in
 4 February and July. During Assessment, candidates are interviewed by former and senior RUF
 5 ministers, wives, and campus staff. The prospective applicants complete a personality profile,
 6 preach or teach and demonstrate small group leadership, and engage with assessors in
 7 marriage and family interviews, along with other activities designed to help RUF evaluate
 8 each applicant. We assessed 20 potential campus ministers and 11 potential campus staff.
 9 While RUF assesses campus ministers and their fitness for RUF camps ministry, each campus
 10 minister is called by the local Presbytery through an affiliation agreement.

11

12 **Growth**

13 2019 was another year of growth as RUF partnered with presbyteries to start six new
 14 campuses; Winston-Salem State University, Howard University, Arkansas State, UT-El-Paso,
 15 City Campus NYC, and Michigan.

16

17 This growth placed RUF ministries over 170 campuses in 40 states and 70 Presbyteries.

18

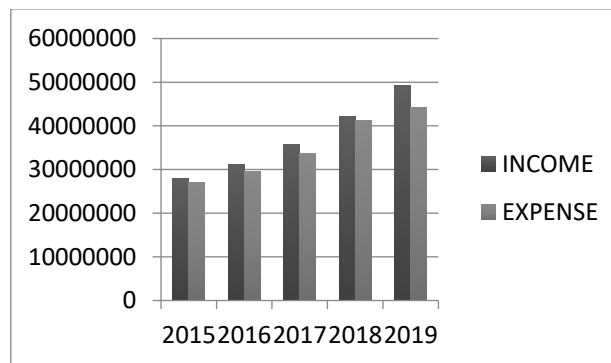

19 Reformed University Fellowship continues to grow with four new ministries to begin in 2020.

20

21

22

23

Income Growth v. Expenses Year to Year – Overall Ministry

24

1 **RUF’s Vision for the Church**

2 RUF continues to be a pipeline for leadership in the PCA. Currently, over 90 former RUF
3 Campus Ministers are serving our Church as church planters, pastors, associate pastors,
4 assistant pastors, and denominational staff. Thousands of RUF Alumni are serving in the
5 Church, enforcing the fact that RUF is not just about perpetuating campus ministry but about
6 enriching the Church. We are unwinding RUF's University Church Initiative that will end in
7 2022. We are working with MNA to provide similar opportunities for campuses and for
8 campus ministers who feel called to plant churches.

9
10 **Conclusion**

11 God is at work through the ministry of RUF. RUF strives to engage the culture and carry out
12 the kingdom's priorities of the Church. God brings together students and ministers from many
13 different walks of life to accomplish His purposes. We hope that each person influenced by
14 Reformed University Fellowship will, in turn, affect many other people in the course of his or
15 her life. The Church is strengthened as students learn to love and seek out the Church and are
16 trained to serve as future church leaders.

17
18 **Recommendations:**

- 19 1. That the General Assembly approve the minutes of the meetings of the Committee on
20 Reformed University Fellowship for October 8, 2019, and March 3, 2020.
21 2. That the General Assembly adopt the Financial Audit for Reformed University Fellowship
22 for the fiscal year ending December 31, 2019, by Carr, Riggs, & Ingram, LLP.
23 3. That action on the 2021 budget for Reformed University Fellowship be deferred until the
24 Report of the Committee on Administration for the Administrative Committee's
25 recommendation to the General Assembly.
26 4. That the General Assembly receive as information Attachment 1.
27 5. That the General Assembly thank TE Rod Mays for his tenure and service as Interim
28 Coordinator of Reformed University Fellowship.
29 6. That the General Assembly re-elect RE Will W. Huss, Jr., as National Coordinator of
30 Reformed University Fellowship for the 2020/2021 term.
