

1 **OVERTURE 43** from Hills and Plains Presbytery (to OC, AC)  
2 “Form Study Committee for Biblical Ethics in Digital Media”  
3

4 [Editorial Note: This overture is identical to Overture 32 from Central Indiana Presbytery]  
5

6 **Whereas**, Jesus desires his church to be “sanctified in the truth” (John 17:17); and  
7

8 **Whereas**, the ninth commandment forbids bearing false witness against another (Exodus  
9 20:13); and  
10

11 **Whereas**, our confessional standards thoroughly outline what is required (*WLC* 144) and  
12 forbidden (*WLC* 145) by the ninth commandment; and  
13

14 **Whereas**, the Westminster divines wrote before the age of the internet, social media, and  
15 other forms of rapid digital communication; and  
16

17 **Whereas**, these forms of communication are increasingly prevalent in our churches; and  
18

19 **Whereas**, new forms of communication create new opportunities both to advance the  
20 Kingdom of God and to violate God’s commandments; and  
21

22 **Whereas**, there has been growing concern among PCA elders regarding online gossip and  
23 slander, especially in areas of controversy and debate; and  
24

25 **Whereas**, pastors, elders, and those they shepherd need wisdom to apply God’s eternal word  
26 to contemporary questions about digital speech and communication;  
27

28 **Therefore, be it resolved** that Central Indiana Presbytery hereby overtures the 48th General  
29 Assembly of the PCA to form an Ad-Interim Committee to study and report on:  
30

- 31 1) How the ninth commandment applies to digital forms of communication (such as  
32 blogs, social media, public and private online groups, and other developing  
33 technologies).
- 34 2) Biblical and confessional teaching regarding godly speech, charitable debate, and  
35 wisdom in discerning truth from falsehood.
- 36 3) Pastoral guidance on how to address questions of public concern without  
37 unintentionally spreading false or misleading information, or disparaging the good  
38 name of others.
- 39 4) Distinctions between private and public offenses (*BCO* 29-2, 29-4, 34-3), when  
40 private online groups with substantial membership are increasingly common.
- 41 5) Practical steps for accountability and discipline; that our members might be  
42 edified, and our officers remain “above reproach” (1 Timothy 3:2).
- 43 6) Should the findings of the study committee warrant *BCO* changes, the study  
44 committee will propose such changes for the General Assembly to consider.

1 **Be it further resolved** that the moderator of the 48th General Assembly appoint the seven  
2 voting members who shall be either PCA teaching or PCA ruling elders; and

3  
4 **Be it further resolved** that the Committee be permitted to recruit others, within the confines  
5 of its budget, to serve as its advisors, regardless of denomination or gender; and

6  
7 **Be it further resolved** that the budget for the study committee be set at \$15,000 and that  
8 funds be derived from gifts to the AC designated for that purpose; and

9  
10 **Be it further resolved** that the committee shall present their findings and recommendations  
11 to the 49th General Assembly.
