

# Commissioner Registration Scholarship Application

**Kentucky International  
Convention Center**

Louisville, KY | June 22-26, 2026

## GUIDELINES

**The PCA Administrative Committee is committed to making it possible for churches with limited income to send commissioners to the General Assembly.** Through generous donations, we are excited to make Commissioner Registration Scholarships available.

The intent of this scholarship program is to assist as many churches as possible to be represented at the General Assembly and to encourage Ruling Elder participation. These scholarships help defray the cost of registration for churches with limited income that would not otherwise be financially able to send a Ruling Elder or Teaching Elder. Churches **with an annual income of less than \$150,000 will be prioritized for a scholarship.**

Each congregation of the PCA is encouraged to include in their budget the resources to send Ruling and Teaching Elders to the General Assembly each year. Likewise, ministries supporting PCA Teaching Elders are also encouraged to make regular General Assembly attendance part of their annual budgets. The Commissioner Registration Scholarship program aims to specifically close the gap for Ruling and Teaching Elders coming from churches with smaller incomes.

### To be eligible, applicants must:

- Be a Teaching or Ruling Elder from a PCA church with a smaller income.
- Have submitted previous year's church statistics.
- be willing to volunteer to help with the work of the Office of the Stated Clerk while at General Assembly. This involves checking in with the AC staff in the Stated Clerk's Office, two times during business hours on either Tuesday, Wednesday or Thursday, to see if help is needed.

To apply for this need-based scholarship, please complete this form and have it signed by your Clerk of Presbytery and Clerk of Session. Please submit the scholarship application to: [events@pcanet.org](mailto:events@pcanet.org)
