Welcome to WOMEN & FAMILIES

“Therefore welcome one another as Christ has welcomed you, for the glory of God.” Romans 15:7

Welcome to Louisville, KY, and the 53rd General Assembly! Every year, this is a special space for reconnecting with old friends and making new ones. I have spent over thirty years as a pastor's wife, unpacking the many dimensions of gospel hospitality, and every week I am still learning. I love the definition of hospitality as making space: making space at your table to share a meal; expanding your heart to make space for new relationships or listening instead of talking; making room for others to be understood. It also contains the root for the word hospital. A space for compassion and care for weak, wounded, and weary pilgrims. And this is what we “get

to do” as we serve Christ and His Church. Sometimes it involves a casserole, and other times it requires care. Week in and week out, you are making space in your calendars, hearts, and bank accounts to come alongside others. We have the sacred, holy privilege of embodying the welcome of the gospel as we welcome others for His glory. The gracious host committee has made space for you to be refreshed and restored in your calling.

We are ready to welcome you with open arms!
