Please describe how your organization benefits the PCA General Assembly or local churches. Please include any specific information that would assist the committee in making its decision:

Non-PCA exhibitors at the General Assembly should be able to provide products and services, which will benefit the work and ministry of the PCA at large and local churches in particular. Applicants whose services, products, or ministries are duplications of, or competitive with, PCA ministries may not be approved.

Please note: Submission of an application does not guarantee approval. The PCA Administrative Committee reserves the right to approve or deny applications at its discretion. Organizations, products, services, exhibits, or promotional materials determined to be inconsistent with the peace, purity and mission of the Presbyterian Church in America may not be approved.

Each approved exhibitor is required to advise the PCA Administrative Committee of any changes in their doctrinal or purpose statements in any subsequent years in which they desire to have an exhibit at the General Assembly.
